

# Club & Club Members' Registration

## Club Registration

Club Registration is dated for 12 months from the date a club's registration form and registration fee are processed by the Canoeing Ireland Office.

## Club Members' Registration

A club can register members when registering the club or at any time during the 12 months after the club's initial registration.

## Registering Club Members

All club members' registration with Canoe Ireland ceases (regardless of when registered) when a club's 12 month registration period expires.

## Registration Fees

For 12 months from the date of a club's initial registration with Canoeing Ireland are:

€100 for club registration and then

€20 for each Senior Club Member's registration

€5 for each Junior Club Member's registration

## Membership Cards

A CI Membership Card will be sent to each registered members' home address unless advised to do otherwise by a club's secretary. Only registered members are eligible to participate in Canoeing Ireland events. Event Organisers will refuse to accept entries from anyone who is not registered as a CI Member. A member of a CI Registered Club who holds a current CI Membership Card either as a member of another CI Registered Club; or as a CI Individual Member; or through registration with the CI Training & Development Unit should ensure that their club secretary is informed that they already hold a current CI Membership Card and do not require any further registration with Canoe Ireland.

## Club Contact List

CI produces a Contact List of Registered Clubs for the general public and for posting on the CI website. Please indicate what information can be made available to the general public. Club Secretaries addresses are not released to the general public. Correspondence from the CI Office is only posted to Club Secretaries.
