

Certification Pathway/Assessment Guidelines

River Safety & Rescue 2

Guidelines

- The RSR 2 course should be delivered and run on water of Grade II difficulty as part of a river trip.
- It is recommended that RSR 2 certification be renewed at least once every 5 years.

Ratios

- The RSR 2 should be delivered with a maximum ratio of 1 instructor to 6 participants.

The RSR 2 course can now be run in a modularised way, with course content being delivered over a number of sessions. Once all aspects of the course have been covered and skills sheet signed off by valid Canoeing Ireland instructor
